MICHIGAN COLLEGIATE ELEMENTARY

2021-2022

Application for Admission

Applications should be turned in to the school office by 4:00 p.m. on the last day of open enrollment. Applications are date and time stamped as they are received. When open enrollment ends, applications are counted. If there are fewer applications than openings, all applications will be accepted. If there are more applications than openings, a lottery will be held to determine who will be accepted and who will be placed on a waiting list. Parents will be notified by mail of the lottery results. Preference is given to siblings of students already enrolled for any available openings. Applications received after open enrollment are accepted on a first-come, first-served basis for any remaining openings or put on a waiting list.

If accepted, parents will receive an acceptance package. Parents must return all enrollment forms sent to them by a specific date. If this information is not received by that date, the accepted student will be dropped from the list to allow room for those who are on the waiting list.
